Coach's Name/Comments:

These girls have had some close games that just didn't go our way. They came out tonight with excitement on the field, in the dugout and it was contagious to all of the players. Making solid contact while in the box and making the defense make the plays.

Natalie did a great job of keeping their hitters off, making them earn their spot in the box. When the ball was put in play tonight she was supported by a solid defense behind her. Something we have been challenged by this season.

Kayla Mathiowetz
