Bryan was diagnosed with leukemia in December 2025. He has been receiving treatment in Mankato and now Rochester, where he is on his 3rd round of chemotherapy. Bryan is employed at Schumacher Dairy in Comfrey and will be out of work for at least a year. It has been a long hard battle, but he is a fighter. He can use all the help, and prayers we can give him. Bryan and his wife Sherry have four children, Shane, Tyler, Heather, and Alysia. Sherry goes to all of Bryan's appointments and stays at home to care for him and help with their four grandkids. We can't wait for Bryan to get back to being himself again!
